VMS/VHS DRESS AND GROOMING CODE

The "Student Dress Code" for Venus Secondary Schools has been established to build student self-esteem, bridge socioeconomic differences between students, and encourage positive behavior, thereby promoting school safety and improving the learning environment.

All clothing must be properly hemmed/cuffed with no rips, holes, tears, or fraying above the fingertips of extended arms.

ID's must be worn on a lanyard around the student's neck. ID may not be altered in any way.

Campus administration will have complete and final judgment on all matters concerning interpretation of the student dress code. In order to help insure acceptable behavior on the part of the student, it becomes necessary to establish certain guidelines to aid parents and students in selecting suitable attire for the school year. Schools also recognize that parents are responsible for the dress and general appearance of their children. It is understood that when clothing styles change to any large degree, the policy may be reviewed to ensure that the intent of the policy is maintained. Any clothing, insignia, or hair style that suggests an association with a group or gang or that distracts from teaching and learning, is unacceptable.

The hair must be neat, clean, well groomed, and maintained out of the eyes. Hair rollers or long handled combs may not be worn in the hair. Girls or boys will not wear distracting or abnormal hairstyles, such as Mohawks, or hair of distracting, etc.

No type of head covering, cap, hat or bandana is to be worn in the main building or classrooms. Students who wear any head covering in the building will have that article of clothing taken up and it will be given to the principal. This article of clothing will be returned to the student at the principal's discretion. Repeated violations of this rule will result in appropriate disciplinary action

Students in violation of dress code will be required to call for a change of clothes. If parents are unable to bring clothing, or no contact is made, the student will serve the remainder of the day in ISS.

Other grooming considerations:

Facial hair is permitted and must be no longer than one inch. Neck must be shaved.

No tongue rings, navel rings, nose piercing, ear gauges, or other visible body piercing paraphernalia will be tolerated.

Inappropriate tattoos must be covered.

No jewelry or clothing with inappropriate language or symbols.

The administration and faculty reserve the right to deem any student's attire inappropriate or distracting.

If a student is sent home to correct a dress code violation, each class missed will result in an unexcused absence. Repeated or serious violations of the dress code will result in further disciplinary action. **The principal may temporarily amend or suspend any or all of the dress code for specific occasions or events.**
